CALIFORNIA HIGH-SPEED RAIL AUTHORITY

April 4, 2002

Dear Stakeholder:

The California High-Speed Rail Authority's April 17, 2002 public Board Meeting will be held at the City San Bernardino City Hall, 300 North D Street, City Council Chambers, San Bernardino (see agenda attached).

This meeting will include presentations from the City of San Bernardino and Metrolink. The City of San Bernardino will present a summary of the work they have done regarding potential high-speed rail alignments and station locations to serve San Bernardino. Metrolink will present current and future Metrolink improvement projects.

At the March 20, 2002 Authority meeting in San Francisco, the Authority voted to support Senate Bill 1856 (SB 1856) which was introduced by Senators Costa, Burton, Figueroa, Karnette, Kuehl, and Soto on February 22, 2002. This bill would be subject to voter approval and "would provide for the issuance of an unspecified amount of general obligation bonds, the proceeds of which would be used for the purpose of funding the planning and construction of a high-speed train system in this state pursuant to the business plan of the Authority".

Comments can be sent to our mailing address, via our website (www.cahighspeedrail.ca.gov) or by attending our Authority meetings. The Authority looks forward to your input.

Sincerely,

A handwritten signature in black ink, appearing to read 'M Morshed'.
